

Acceptance of admission to the research master program Business Data Science, September 2026

Kindly note that admission to the program is conditional on the receipt of the certified copies of course work and diplomas as well as the correctness of the information submitted by you in your application file and during the interview.

I _____

(full name, birth date and place & student number in Osiris) hereby accept my admission offer to the BDS program for September 2026 as communicated in my offer letter, reference: _____.

Additionally, please confirm:

- ☐ I am on track to complete my bachelors before the start of the BDS program (1 September 2026)
- ☐ I will upload my bachelor's degree / graduation* statement upon receipt; or,
- ☐ I have already uploaded my bachelor's degree / graduation statement* to Osiris.
- ☐ (if applicable) I have read and understood the [scholarship regulations](#).

* A graduation statement is a confirmation that you meet the requirements for your bachelor's degree; this statement must be signed and stamped by your school. A graduation statement is required in case you completed the bachelor's program while your university has not yet awarded your diploma.

If you have any questions, please reach out to the BDS admissions office at admissions@businessdatascience.nl.
